## MEMBERSHIP APPLICATION AND RENEWAL FORM.

The Economics Association of Zambia is a non partisan professional organisation for economists and professionals in related disciplines. Its broad aim is to promote the discipline of economics thereby contribute to the country's socio-economic development.

**Mission Statement:** *To contribute to economic and social development through the promotion and advocacy of sound economic policies.*

**Overall Objective:** To provide a forum for researching, disseminating, and discussing economics and related issues in order to inform policy so as to improve economic and social welfare.

### **Specific Objectives:**

- 1. To provide effective input into public policy for decision-making;*
- 2. To mobilise evidence-based policy research in economics and related disciplines;*
- 3. To strengthen public information and outreach on economic and related issues;*
- 4. To mobilise and improve professional capacity for consultancy and advisory services to both the private and public sector,*
- 5. To build strategic partnerships for the formulation and implementation of economic policies.*
- 6. To establish and maintain high professional ethics and standards in economic research, consultancy, publications and advisory services*
- 7. To build effective national, regional and international networks with professional associations and other institutions.*
